Dear Sir and Madam,

Further to your enquiry, please find hereunder some information about the campsite "Le Bois Joli", as well as the price list for our **rentings** and **plots**, next season **2010**. We draw your attention on the fact that all indicated prices are "**everything included**" : ground for the car, hot water, visitor's tax, playground, swimming-pool... even the tennis is free !

- The campsite is well situated in very nice surroundings, both green and flowery, and presents spacious half-shady plots, quiet, rest and relaxation
- On the spot you will find a beautiful **swimming-pool** and a smaller one for children, a modern playground, tennis, volleyball and football grounds, ping-pon, trampoline ...
- The **Bar**, open from 7.45 AM is at your service with his little grocer's shop, a fast food (chips, sausages, chickens...), take-away ice creams and fresh drinks that you will enjoy to drink under the beach umbrella on the terrace above the swimming-pools. You also have English and Dutch newspapers everyday
- At the **reception**, you will find a computer with an **Internet** connection if you want to check your emails. You will also find **postcards**, phone cards, ...
- Fishing lovers will appreciate the small **fishing pond** inside the campsite, in the marshes located around the camp and, at last, in the Ocean
- At 200m from the Campsite, the little town of Bois-de-Céné has all **shops and services** at your disposal, including a little supermarket, doctor and pharmacy, garage, hairdresser, ...
- In the **surroundings** : excursion paths, the Isle Chauvet Abbey, horse club, oysters beds, Port St Père Planète Sauvage (safari park), and obviously the **seaside**, its beaches, and the Ile de Noirmoutier
- At 9 km : **Challans**, its commercial centers and very famous traditional markets, the " Thursday's Fair" which presents the city life at the beginning of the last century. This show gathers together about 25000 persons each day !
- Various **animations** will be organized on site, in July and August, for children as well as for adults : various small matches (pétanque, ping-pong, football...), dance or song evenings, karaoke, bingo, different shows, local folk groups, night bath in the illuminated swimming-pool...

The Bois Joli is a happy mixture of peace and activities, privacy and conviviality in green, flowery, in clean surroundings. Thanks to the customers who help us to keep it in good conditions by their behaviour. We are not located on the very sea-side, but only at 18 kilometers, and you will really enjoy to stay in a good quality and reassuring setting, out of the noisy and crowded coast.

To **book** your stay, you only have to send the contract back to us, duly filled in and signed, with your payment. At receipt of this letter, we will confirm your **final reservation** back, and you will receive the stock-taking of your renting and a route suggestion to come to Le Bois Joli !

We would be happy to give you any further information and will do our best to give you complete satisfaction. If you come and stay at "Le Bois Joli", we hope you will keep a very pleasant memory of your holidays !

Awaiting to welcome you !

Martine and Eric
